Gideons (Dan Aesoph a part of Good News) would like to speak in church and receive a special offering or be available to receive gifts from individuals after services.

6:15 pm - Cal Ver Mulm, Center of Hope will talk to the deacons about their work. He would also like an opportunity to speak to the congregation.

Deb & Mark Wilson, Missionaries in Cambodia: Greetings from Cambodia! This summer/fall Mark and I will be in the States for Home Assignment, and we would love to have Deb visit Good News Reformed one Sunday if it would work out for you all. She is willing to serve in any way that would bless you while she is there; meet with missions committee, Sunday school group, or present during the service. Or perhaps you have some other ideas.

The dates that would work best for Deb include August 4th or 11th; September 15 or 29th. There are other possibilities if these aren't convenient for you.

Please let us know if you would like to have Deb visit and how she can serve you best. Please also don't feel obligated in any way if it

doesn't work into your plans for this year.

In Christ,
Deb and Mark

[If the deacons would like to have them speak with the congregations, Pastor Kevin said that one of the August dates would be best.]

Brenda Boyd is going to work in Africa and needs to raise about \$837 per month and is first approaching Good News Church (her church home) for support. She talked with deacons at our May meeting, and we said we would respond after our June meeting. RECAP: See May Deacon minutes.

JJ TenClay (jjtenclay@rca.org) talked to the deacons about the misunderstanding regarding her current role with the RCA as a missionary with immigrants at our May meeting. No decision made about reconsidering our decision to discontinue our support. RECAP: See May Deacon Minutes.

David Glader with the Union Gospel Mission (605-941-8510); daveglader@msn.com) talked with deacons about Good News Church partnering with them to serve with this transformational and catalytic mission at our May meeting. No decision was made. RECAP: See May Deacon minutes.

Missions Policy – potential guidelines for future focus and decision-making

Refresh your memory on the document from the March meeting. “What are some criteria that a mission committee might use in deciding which missionaries and projects to support?”

As we’ve worked these past months, what has God been telling us about the vision we’re to move toward with our missions? What long and short term goals will help get us there? With all that we’ve researched and heard from those requesting our support, what guidelines do we want to set that will help lead us toward that vision?
