Application for Ministry Support / Participation

Good News Church's (GNC) mission is to lead people to a growing relationship with Jesus Christ by loving God, loving one another, and serving the world. One tangible way to practice this is through our missions which we're called to be involved in and to support financially.

Guidelines (things that are important to us)

- The gospel message is shared
- There are opportunities for involvement at different comfort levels
- Helping people use their God-given abilities to work and to take care of their own needs.
- Missions abroad must focus on unreached people groups
