Acts of Mercy / Service

Benevolence Request

Last month deacons decided to allocate up to \$600 from benevolence to give to Youth Funds if Ryan Feltman could find 8 or so youth help Theresa Lucus move her mother. They needed up loading in Rock Rapids and unloading in Sioux Falls. Ryan had three kids who helped for 2 ½ hours. How much of the \$600 do deacons want to allocate?

Pastor Discretion Fund

Sometimes we're tempted to think that the relief help we give to people is not all that helpful. Following is evidence that we never know!! Please see the thank you notes in consistory correspondence from Daren Adams from Tempe, AZ. A couple of years ago, he and his brother, Ryan, showed up at church on a Sunday morning just as we were starting a new comer's class. They said they were staying at a campground and needed food. We told them to come back in a couple of hours, and we'd give them what was left from our class meal. They did come back, we gave them a cooler, the food, and had Sue Schuldt and our custodian Max Wasberg pick up a few other things at the store and drive them back to the campground. A few months later, Daren came again asking for prayer. He was frantic about his brother who was in with a wrong crowd. I, Mary Morgan, listened and prayed with him. If I recall, we had at least one more contact with him when his dad came to Sioux Falls from Arizona.

A-D Todd Hopkins Prayer Request Actions

Doreen Booth asked for prayers as a 10-year-old grandson of her cousins, Ronette and Brian, was killed in an ATV accident 10/01.

While there, she will be helping at multiple schools in the area including St. Jacobs (by Eldoret) and Kakuswi (by Tawa). She will also lead Bible studies, meet different people where they are, and seek to walk with them spiritually and practically.

Unfortunately, on 9/19, Brenda received word from home that her mother has been found to have widespread cancer, which required Brenda returning to the US to be with her family through this time. Her mother is under hospice care for pain control and comfort.

Tonya Brockmueller's mom, Shirley Van Peurse, is receiving maintenance treatment for breast cancer.

Aimee Brodkorb's mother, Ruth Waldner, suffered a stroke. Although her mom continues to struggle with high blood pressure, some confusion & balance, thankfully, her stroke was minor & drs feel there should be no residual side effects.

Carla Campbell requested prayers for pain control and comfort for her dad, Roland VanDenHoek, as he has had colon cancer in the past & after having new symptoms, testing recently revealed that the cancer has spread throughout his abdomen.

Prayers are requested for Debbie Carter and her parents, who live in a remote area in California. Her dad cares for her mom who is immobile, has lymphoma and various health concerns. Her dad, who is recovering from knee surgery, developed a blood clot and is in the hospital for an extended time. Debbie is trying to establish care for her mom in the meantime, which is difficult being so far away from them.

Email to Deacons from Ryan Lefever on 09/27/2019

Hi All,

I am not trying to overstep bounds, but am concerned, as much as I'm sure you are, on our church's giving numbers. I do believe God will provide and I know when I was there last year our concern has always been how to promote giving, its importance, education of it, etc.

Outside of directly preaching it from the Senior Pastor, I guess I wonder does Good News in its order of worship (not the Book of Church Order) allow for and give it enough significance/importance to be incorporated more/better within our corporate worship? Sure we pass the plate and pray over it - but have been thinking if there's ways to make it more than a ritual to pass the plate and even for those who give electronically to participate together with the rest of the body in a public act/profession of giving back our gifts.

I'm not suggesting Good News needs to copy what I've seen another church that I watch sometimes on YouTube videos (see links below), but I think there may be merit to do similar things in a corporate setting to come together on it, publicly declare where our help/stuff comes from and to help educate. I've linked a few videos that you can see samples of what is done in that church (i.e. offering readings, scripture, etc.). I was skeptical at first and felt some portions seem very "health & wealth" gospel....BUT that doesn't mean we'd have to use the exact language in offering readings, I also don't feel like this Church believes that way, and also felt like you know maybe we DO need to pray more boldly in similar things as God is the God of Miracles and blessings.

I know I'm probably opening myself up to participating in this - and I know putting yourself up in front of the congregation can be scary/uncomfortable but we don't build our gifts and abilities if we don't try. Trust me, I'm nervous thinking about getting up there and doing it - but I think it could make a big impact.

Just trying to help anyway I can. I appreciate you all for doing what you do and the time you serve! God bless you and I pray that he gives you boldness and insight to serve our church body!

Ryan
