Life,

Dear Brothers & Sisters in Christ,

I am writing to you to show my grateful appreciation for your support of Living Stone Church. Both financial as well as spiritual. I pray that the Lord will you as much as your support truly blesses us here. To know that there are people out there who still care and want to see us succeed in life means more than I am able to put into words. But even more important than that I just want to thank you for being that example of Christ love. That example that we need so badly in this world. So thank you for being that good and faithful servant who we can all learn from.

Love your Brother in Christ;
Yatt

Dear Friends,

“...faith, hope and love. But the greatest of these is love.”

1 Corinthians 1:13

February is here and love is in the air. Sadly, we see clients almost every day who have never felt truly loved. They enter our doors pregnant and scared, not sure what to do. For many, we are the first people they have ever met that love them and their unborn child unconditionally. Through the services of the Alpha Center, we show our love in a tangible way and your gift makes that possible!

As God shows his love for us, we strive to daily show our love for the women and men that come into our center. The heart of our ministry is to show compassion, love and truth.

During this month of sweet remembrances, we think of you. Thank you for showing your love for unborn children through your generous gift. May you be blessed for it!

Come celebrate with us -- We are looking for people to help share the ministry of the Alpha Center by becoming a table host at our Alphabration Dinner on Friday, April 26.

It is easy - we will equip you with everything you need!
Contact the office by phone or email and we will walk you through every step!

Thank you for your generous hearts for the unborn.

Dear Brothers & Sisters,

Your gift was a blessing to "Dave." Dave came into the Care Center last week to thank the Bike-To-Work ministry staff and volunteers for helping him get back on his feet and for being a friend to him. He wanted to let us know that he now has a vehicle that he uses to get to work and that he bought a fixer upper house to live in. He has been working consistently for the past 6 months and seems in good spirits. It is always nice hearing success stories.

Thank you for your gift, of \$744.00 on 2/12/2019, it made a big difference in Dave's life.

In Christ,

Please retain this letter of receipt for your records.

Thank You!

Dear Friends at Good News Church:

Your generous contribution of \$375.00 was gratefully received on January 22, 2019. Thank you for including Northwestern College in your ministry and missional giving. Your gift has been designated toward the college's Northwestern Fund, which is similar to your church's general fund in that it helps Northwestern meet operational expenses and enables us to keep students' tuition as affordable as possible.

Northwestern's mission is to be a Christian academic community engaging students in courageous and faithful learning and living that empowers them to follow Christ and pursue God's redeeming work in the world. Our "Vision for Learning" expresses our goals of preparing graduates to 1) trust, love and worship God, 2) engage ideas, 3) connect knowledge and experience, and 4) respond to God's call on their lives. Your congregation is helping make a Northwestern education possible for more students so they will become members of churches, communities and workplaces where they seek God and serve others.

Thank you again for being such a valuable kingdom partner.

Sincerely,

"The pressure to fall into what society says is the norm is constant and is around every corner. It's almost like it's inescapable. Youthfront helps me through constant reminders in teachings and community time that I am His and the worth that others see in me, even when I can't see the qualities in myself."

Dear Friends,

As we look to prepare ourselves to enter the season of Lent, I'm drawn to think of the young people we serve at a critical juncture in their lives.

Today's youth are living in a chaotic and challenging time. They share with us how often they have felt alone. It is hard for them to find a supportive place to wrestle with questions and decisions. It is too easy to slip into narcissism, depression or despair. They want to lead lives of hope and joy, but we often hear how overwhelming the pressures can be.

The young people we've been privileged to serve at Youthfront - through all of our programs - tell us this is a place where they find community, hope, and the strength and knowledge to serve others and live out their faith.

As the Lenten season approaches and we confront the darkness that comes before the light, please know we're so grateful for your gift of \$755.00. We simply would not have the facilities, programs and staff who shape and pour light into the lives of young people without your support. On behalf of all of us at Youthfront, thank you for your generosity to invest in this ministry. May God continue to bless you and yours.

Peace,
