Nightwatch Canteen	676.70	889.32	1,200	After The Banquet is built, we will continue to serve by Hayward as the majority served are children. YTD Good News has served 761 meals!
Something To Eat	52.99	2,013.24	2,000	In 2019 we packed 20,550 meals that went to SD Food Pantry's. We would like to continue with our 20,000 meals. We paid the additional cost that was not covered by the Maundy Thursday offering.
Fall Festival	1,750.87	0 (budget 2,000)	2,000	The Children's ministry events team has discussed Trunk or Treat for 2020. Candy funds also come out of this budget.
Inspiration Hills Camp Friends	2,145	2,365	2,500	This is an opportunity to get GNC kids to camp and friends for half the cost. This could be that one place they accept Christ.
Prayer Shawl Ministry	330.21	135.34	0	Brenda Erikson was leading this ministry and decided to step down. At this time, there is no one who would like to continue.
Mission Trips	1,800	100	3,000	We would like to support each person who goes on a mission trip \$100. They can choose to use this how they see fit. (ex: Kenya can choose to use the funds as a team or distribute individually) We raised the cost as Kenya is in 2020 and a Haiti mission trip is being planned for 2021 and we are not sure when funds would be needed.

Laundry with Love	0	513.87	1,500	We have partnered with Church on the Street for Laundry with Love. The cost for food, soap and machines did not cover the first night. We will have a 2nd one November 26. This was an incredible experience to serve in our community where there was a need. This would also be an opportunity for families to serve. - I had no idea the average machine was 22 quarters to wash a load of laundry!
Angel Tree	0	0	1,000	We never want to return a card without gifts for children in foster care. In the past, someone has always stepped up and donated funds to buy the rest of the gifts, but we would like to be prepared if that is not an option.
Senior Companions	0	0	350	Spend time with elderly individuals. One of the biggest struggles is loneliness. Kim Chatwell and the team are working through details, but would like to have something at least quarterly within the community.
Sports Camp for Kids	0	0	5,000	We have found that neighborhood projects are getting harder and harder with increased insurance regulations. A need we see is so many kids are unable to go to sports camps because of the cost. We would like to offer a sports camp (free of charge) to kids in the lower income neighborhoods who do not get the opportunity otherwise. We have reached out and have the ability to work with Augustana athletes. We are planning a basketball camp because this is something that both boys and girls could be interested in. Whittier school has sent over paperwork to utilize their facility. Our goal for this day would be to bring in volunteers from the colleges and volunteers from GNC and make it a camp similar to what you would go to elsewhere. Kenzie Erickson and Judy Decker have stepped up and said they would work on a young kids camp so middle school students that watch siblings could still attend. We would provide a meal, T-shirt, water bottle and morning camp. Looking at June 2020 for kids age 5th-8th grade. We will look at providing transportation for the kids. We have talked about partnering with Church on the Street because many of these kids are familiar with the kids in this neighborhood.
Rake The Town	N/A	0	0	Rake The Town is volunteer based. Rake the Town for GNC volunteers will be November 2.
Canned Goods for Graduates	N/A	N/A	0	We will ask the congregation to bring canned goods (hoping for 2020 to honor or graduates)

Total budget request for 2020 Servant's Heart is \$21,150. Please note: I only included the opportunities where we plan to serve in 2020. This does not include all service projects from 2019. If you have any additional questions, please feel free to ask. Kayla
