### Family Event Updates:

- \*The Christmas Experience went well - lots of great feedback from families and a great turnout! Looking forward to more family events in 2020.
- \*Possible events - BINGO and Chili night, Parents Night Out, Mom and Muffins, Dad and Donuts, Cookie and Canvas Paint Night

### Children Discipleship Corner:

- \*In Sunday School, the kids are learning about Daniel. The main message that is being taught through this series is *Why do we pray? We pray because we trust God, and we know He hears us.* We will continue the story of Daniel with two more lessons after the break. What I love about the Gospel Project curriculum is the intentionality of pointing each story back to Christ. We will take two weeks off for Christmas break as schools are out and then resume January 6.
- \*NEED: We are still looking for more small group Sunday School leaders so send them my way if you know of anyone- for the 10:30 service!
