Sowing seeds of God's love...physically and spiritually

Dear Brothers & Sisters,  
Your faithful support is such a blessing to those who struggle and a wonderful encouragement to staff and volunteers. Without you the needs of many would go unmet and they might never experience the love of Christ.

Dear Friends,  
On behalf of Living Stone Prison Church I would like to thank you for your support. It means so much to us that we have men and women on the outside who believe in the love and transforming power of Jesus Christ. I want you to know that God is at work in Mike Durfee state prison.

This is evident by the new video that was created to share with your congregation. You can view this video at [LivingStonePrisonChurch.com](http://LivingStonePrisonChurch.com). If you would like to receive a DVD, please call Jason or Ruth and they will send one. Again, thank you so much for your support and I hope you view this video to get a small glimpse of how God is working at Living Stone Prison Church.

God Bless,  
Nick

## Living Stone Prison Church

Fellow Believers,

I want to thank you for all the support you have shown Living Stone Prison Church. You have given us a place to worship, to pray, to fellowship, and to learn more about our savior Jesus Christ.

We are so blessed to have support from an outside church. Thank you for looking past our poor choices and believing that Jesus can transform the men at MDSP. Yes, He is at work!

Thank you so much for your financial and prayer support. It means the world to us knowing that we have a safe place to gather and grow together. Again, all is well at Living Stone Prison Church and we thank you for your support. Have a blessed week!

In Christ,

Your brother

### It's time to celebrate!

This month we celebrate Alpha Center's birthday and 35 years of ministry! There are so many things we are thankful for as we look back over the years, but the thing we are most grateful for is you! We could not continue to carry out the work that God has put before us without the generous sacrifice you make to the Alpha Center. Through your donation, the love of Jesus Christ has been shared with thousands of men, women and children.

As we rejoice in the great things God has done we also ask that you please pray for our client advocates who are on the front lines working with clients every day. You would think after 35 years we have seen it all, but each day comes with a new challenge.

Thank you for all the support that you faithfully provide!

**Please join us on Friday, April 26<sup>th</sup> at the Sioux Falls Convention Center for our Alphabration Dinner. We would be honored by your presence at this event. Registration is required. For more information please visit our website or contact the office.**

Dear Friends,

On behalf of all of us at Youthfront, thank you for your recent gift of \$755.00. We so appreciate your investment in our youth and their faith journeys.

In recent months, Youthfront has had the honor of participating in several national - and international - conversations about the future of youth ministry. I'm particularly encouraged by how academics and practitioners are coming together to wrestle with faith formation. Youthfront has a unique perspective to offer; we are blessed to have both scholars and practitioners on our staff and involved in shaping our ministry.

We firmly believe that *bringing youth into a growing relationship with Christ* involves creating opportunities to ask the hard questions. It also involves exposing them to ancient traditions, classical Christian practices, and hands-on experiences that build the virtues and values we identify with Jesus: humility, service, community and love. I was honored to be part of meaningful discussions - from a gathering at Fuller Seminary to the International Association for the Study of Youth Ministry in the UK - with experts in this ministry area, all seeking to discern best practices for tomorrow's youth ministries.

Despite how all of us probably feel after reading our daily news feeds, there are countless reasons to have hope about the future. I feel tremendous encouragement after meeting with others seeking to create impactful youth ministry in an increasingly fractured culture. I look forward to updating you as we continue those dialogues.

As we reflect and prepare our hearts in this season approaching Easter, we hold the hope of a Savior who will bring the restoration of all things. We're so grateful for your continued support for this ministry and the young people we serve. We simply could not do this work without you.

Peace,
