

Kayla Schneider - Communications - May 2019

Updates:

- **Website:** Thank you Chad for reaching out to Evan. Jon and Evan have been in the process of getting everything moved where it needs to be! I am excited to get the emails moved and the new website up.
- **Mother's Day:** We are so grateful for the dads and kids who came to help make the bath bombs! It was fun to see a few of our GNC women post them social media that they were excited to get them. We gave each of the teacher's in the children's center a bath bomb and will be giving all of the extras to the Alpha Center.
- **Father's Day:** Father's Day we are doing "Dad's" Root Beer floats in honor of dads. We will be ordering dad's root beer and possibly a few other flavors of the dad's brand to have out and we will be making floats. **If anyone wants to volunteer to help serve, that would be wonderful!** We will be asking individuals and older students as well to help!
- **Connection Wall:** Someone shared a picture of our connection center in a communication group of almost 20,000 wanting to mimic what we did! It was fun to get such a great complement from one person, but also see how many additional wanted information to do the same :)
