Update

We have officially wrapped up the school year for our Wednesday night gatherings. Over the course of the year we saw many great things take place, Relationships were built, both with small groups and with students growing their personal relationship with Jesus. We saw students take steps of faith, to serve, to love others, and to be open to God's leading in their schools and in the community. We saw many of our leaders step out of their comfort zones on trips, on Wednesday nights, and through interacting with their small groups. This year was a success even in the midst of some challenges. We were very inconsistent this Spring due to the weather, other unplanned events taking place, and although we lacked momentum in some ways, we still saw God do great things.

With Summer right around the corner, there are many exciting things coming up. We will try to gather students for times at the volleyball court, around fire pits, and throughout the community. We will also see 12 middle schoolers attend PowerConnection in July in Minneapolis, 7 students attend Student Leadership Conference in Indiana in July, a group of graduates hiking through the Hills on their senior trip in June, 15 attend a Hillsong United Concert in Omaha, and a bus load having a day of rides at ValleyFair. It will be an exciting Summer.
