

Tyler Van Voorst
September Report

- Connection Report--848 Congregants
 - Volunteers 184 (21.6%)... up from 157
 - 75% Services 127 (15%)... up from 104
 - Groups (summer numbers) 104 (12.2%)

Some of these numbers are skewed because of summertime changes that inevitably happen. No cause for worry by any means, more of a celebration that consistent attenders and volunteers went up during the summer. The Interest Inventory really helped field new volunteers.

- Community Leader Training
 - Completed training with my 4 leaders. I'm excited to see them walk alongside leaders!
- Connection Group Leader Training
 - First training is September 7th and the second is September 14th. Almost everyone signed up to attend one of the trainings. Those that aren't able to make it will do a 1-on-1 training with me. Every group leader will follow the plan that I believe will help groups stay accountable, but will also provide them the most support. I will continually challenge leaders to grow in their own faith and development so they can help those in their group to grow.
- Volleyball Tournament
 - 8 teams! There should be a few more that come in as well
 - Meeting with Ryan and Keith to figure out the bracket and rules... looking forward to it!
- Conquer
 - First group is Thursday, September 5th. Only 3 guys signed up beforehand, but praise God for those that stepped up! 1 person impacted is all that matters in God's Kingdom and I'm thankful for the opportunity to play the Conquer Series.
- Connection Group Sermon Series
 - To kick off our sermon groups, we will be doing a 4 week sermon series on Connection Groups and why God has called us to be in community. The first week will be on the overall idea of connection and community. The second week will be based on the first part of my vision-- meet. The second week will be share. The last week will be grow. I'm excited to see how God will work through Kevin. I believe people will get signed up and try out groups because of this sermon series!
- Any other questions please let me know.
